Line 3, "the" was deleted and --a-- was inserted therein.

Line 4, "the" was deleted and --a-- was inserted therein.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: None of the prior art, either alone or in combination suggest the instantly claimed limitations.

Herrmannsen et al. '612, Ono et al. '169, and Kageyama et al. are indicative of correction tape dispensers similar to the claimed invention but failing to show a slot in the platform defining a first leg and a second leg in the platform and first and second posts extending laterally out from the side edges of the legs wherein the posts define an axis and the posts rotate about the axis when the front edge is rotated about the axis of the length of the platform.

The drawings filed on May 27, 2004 are accepted.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
